PREMIUM VINYL WINDOWS

INSPIRATION GUIDE

Impressive Inside & Out™

AWNING AND PICTURE WINDOWS
White vinyl interior and bronze hardware

Impressive Inside & Out

Simonton® Windows & Doors presents a fresh perspective on your home — and all the moments that matter most to you.

Our commitment to quality begins with premium vinyl products proudly crafted in the USA that deliver decades of durability, ease of use and efficient thermal performance — with an array of operating styles, colors and hardware to complement the design aesthetic of your home.

Every day, we design award-winning windows and doors to satisfy a simple purpose: to brighten and beautify your home, and to enhance your comfort and peace of mind for generations to come.

Enduring Style. Impressive Performance.

Designed to enhance your home, Simonton Madeira premium vinyl windows provide exceptional performance, interior comfort and lasting convenience. Featuring a traditional frame design that complements a variety of architectural styles, Madeira windows offer a wide selection of colors, hardware finishes, decorative glass, and grille designs to complement your home's design aesthetic. Advanced glass options help reduce heating and cooling costs, keeping your home comfortable season after season.

At Simonton, we strive to exceed your expectations. Our Simonton Madeira Collection windows are designed with your home and your needs in mind.

IMPACTFUL STYLE

Brighten and beautify your home — inside and out. Explore a wide range of colors, configurations and finishes to complement any architectural or interior design style.

EXCEPTIONAL QUALITY

Simonton Madeira windows feature fusion-welded construction with multi-chambered frames, providing strength and weathertight protection from the elements that will perform for years.

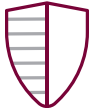

ENERGY EFFICIENCY

Madeira windows are built with thermally efficient vinyl and can be customized with advanced glass features that deliver outstanding energy performance and maximize your home's interior comfort.

AAMA GOLD LABEL CERTIFIED

The Madeira Collection has earned the AAMA Gold Label, signifying best-in-class durability, weather resistance and energy efficiency. Learn more at simonton.com/aama-gold

SUPERIOR SAFETY & SECURITY

The safety of your home and family is our highest priority. Madeira windows have been rigorously tested to deliver superior protection from force entry, wind, rain and sun damage.

TRUSTED EXPERTISE

Simonton is proud to be part of Cornerstone Building Brands, the #1 manufacturer of windows in North America. We continue to deliver on a reputation of innovation and authenticity built over 75 years in the industry.

COMPREHENSIVE WARRANTY

We stand behind the quality and craftsmanship of our windows and proudly offer a comprehensive warranty covering our vinyl, hardware and glass units for your total peace of mind.

ENERGY EFFICIENCY

Madeira windows can be customized to meet ENERGY STAR criteria for any climate, ensuring optimal performance for your home. Select triple-pane window styles are recognized as the Most Efficient of ENERGY STAR in 2025.

CASEMENT AND PICTURE WINDOW COMBINATION
White vinyl interior and satin nickel hardware

SLIDER AND DOUBLE HUNG WINDOWS
Tan vinyl interior with matching hardware

Resilient Design. Exceptional Performance.

1. CLASSIC STYLING

3-1/4" wide frame design features the contoured look of traditional wood windows.

2. DURABLE CONSTRUCTION

Fusion-welded vinyl frame and sash provide enhanced durability and weather resistance.

3. WEATHER BARRIER

Lap-Lok® meeting rail features an overlapping, interlocking design that tightly seals the sash around dual fin weatherstripping, virtually eliminating air and water infiltration.

4. ENHANCED INSULATION

Multi-chambered profiles in the head, sill and sash maximize insulation and interior comfort.

5. WATER RESISTANCE

Sloped pocket sill quickly moves water away from the window, even in heavy rain.

6. EASY TO CLEAN

Both sash tilt in and lift out for easy cleaning of both sides of the window from inside your home.

7. SUPERIOR SAFETY & SECURITY

Dual cam locks secure the window tightly against the elements. Air Loks™ can be engaged to limit the amount a window can be opened for safer ventilation.

8. SMOOTH OPERATION

3/4" stainless-steel balance system allows easy opening of the window sash to any desired position, even after years of use.

9. ACCESSIBILITY & OPERATION

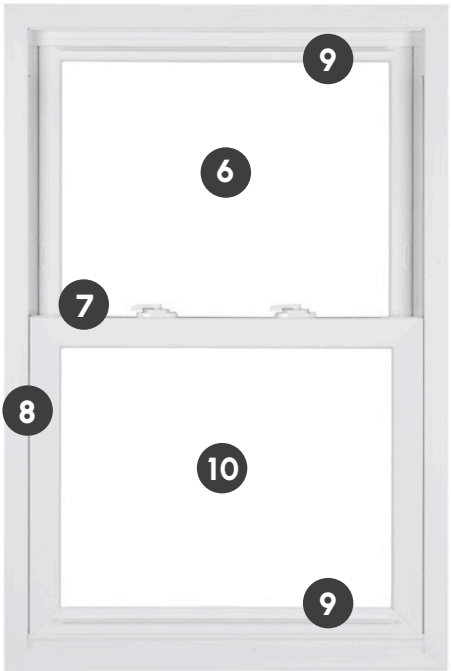

Dual-contoured lift rails are molded into the sash for strength, durability and easy operation.

10. ESSENTIAL ENERGY EFFICIENCY

Double-strength 7/8" insulating glass unit with ProSolar® Low-E Glass, Argon gas and Intercept® spacer system helps keep your home comfortable and save energy.

Steps to Select Your Perfect Window

Understanding the architectural identity of your home is key to making authentic window selections. Every detail — size, shape, color, grille pattern and profile — is an opportunity to complement and enhance the interior and exterior design elements that make your home uniquely your own.

01

EXPLORE WINDOW OPERATING STYLES

Choose from a variety of window shapes and operating styles to complement your home, inside and out.

02

LEARN ABOUT YOUR GLASS OPTIONS

Glass impacts your interior comfort and energy costs, as well as security, acoustics, privacy and more.

03

SELECT YOUR DESIGN OPTIONS

Explore a wide range of interior and exterior colors and hardware options.

04

CHOOSE YOUR GRILLE PROFILE & FRAME

Traditional or contemporary, the right grille profile and pattern can enhance the authenticity and aesthetic of your home.

YOUR PERFECT
WINDOW STYLE

CASEMENT AND PICTURE WINDOWS
White vinyl interior with bronze hardware

1 A Window and Style for Every Home.

Consider your home's architectural and interior design when selecting a window style. Choose from a variety of shapes and unique operating styles that will complement your home inside and out while delivering dependable functionality and performance.

"We love our new windows! They are stylish and functional. They also come with many options to choose from as far as sliders, window pane type and color."

★★★★★
Hawaii Homeowner

DOUBLE HUNG
Double Hung windows provide a timeless and classical aesthetic. The top and bottom sash slide vertically and tilt in for easy cleaning from inside the home.

SINGLE HUNG
Single Hung windows have a classic appearance with a bottom sash that slides vertically and tilts inward for easy cleaning from inside the home and a fixed top sash.

CASEMENT
Casements offer maximum ventilation and are the most energy-efficient windows available. The crank-operated hinged sash opens easily outward and can be cleaned from inside when fully opened.

PICTURE
Offering an expansive, unhindered view, a Picture window is one of the most weather-resistant styles available and is fixed—with no movable sash. They are ideal for large or small areas where daylight is desired.

BAY
Bay windows add interior and exterior dimension to your home. Available in 30° or 45° angles, they can create a special nook or add a dramatic accent to any room.

BOW
Bow windows add unique style to your home, with a more rounded, circular appearance than a Bay. The panes are mulled at 10° angles and available in 3-, 4- or 5-unit configurations.

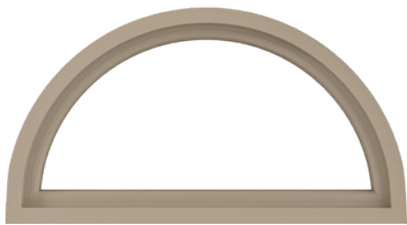

SLIDING
Sliding windows glide horizontally to increase ventilation. Available in single or double slider configurations.

END VENT SLIDER
Ideal choice for replacing a large Picture window to gain ventilation, the End Vent or 3-lite Slider has a fixed center window with operable end vents that slide horizontally.

AWNING
Awning windows are hinged at the top and open outward. Turn the crank handle and enjoy fresh air, even when it's raining.

SPECIALTY SHAPES
Available in a variety of circular, arched and linear designs — Specialty windows provide a unique, custom look that complements both contemporary and traditional homes.

GARDEN
Available in two unique styles, Garden windows bring the outdoors in. Their unique dimensionality makes them ideal for showcasing collectibles and plants, while the side windows open for added ventilation.

COMBINATION WINDOWS
Select Madeira windows can be mulled (or joined) together into a single unit. A mulled window combines matching or contrasting window styles to create a single weathertight unit that provides a truly custom aesthetic and allows more natural light into your home.

02

Learn About Your Glass Options

Simonton Madeira windows deliver outstanding energy efficiency and thermal performance, helping reduce heating and cooling costs and keep your home comfortable year-round. Additional glass options are available to enhance thermal performance, security, acoustics, privacy and fade protection.

ENERGY SAVINGS & INTERIOR COMFORT

Madeira windows can be customized to meet ENERGY STAR® requirements in any region. Our double-strength, ProSolar® Low-E glass options are designed to enhance regional energy efficiency and deliver optimal efficiency and comfort, no matter where you live.

✓

ProSolar[®] LOW-E

IDEAL FOR AVERAGE CLIMATES
Year-Round Comfort & Efficiency

✓

GAS FILL
Argon gas (six times denser than air) is sealed between the glass panes to increase insulation and reduce energy loss.

+

ProSolar[®] SHADE

IDEAL FOR WARM CLIMATES
Superior Solar Control & Aids Cooling

SPACER SYSTEMS
Glass panes are separated by a spacer system that helps seal in functional gases and create an airtight seal.

+

ProSolar[®] SUN

IDEAL FOR COOLER CLIMATES
Uses Sun's Warmth & Aids Heating

+

ProSolar[®] SHADE+

IDEAL FOR WARMEST CLIMATES
Exceptional Solar Control & Aids Cooling

+

PLUS 4

INTERIOR SURFACE LOW-E
Added For Warmth & Superior Insulation

- ✓
- The standard **Intercept[®]** spacer system helps keep glass warm and expands and contracts for reduced seal failure.
- +
- The **Supercept[™]** spacer system utilizes a stainless steel alloy that offers increased durability and thermal efficiency.
- +
- The non-metallic foam **Super Spacer[®]** is non-conductive and reduces energy transference and unwanted noise.

+

SOUND-ABATEMENT GLASS
If you live in a noisy area, ask about specialty glass designed to reduce unwanted noise infiltration.

+

SOUND & SECURITY GLASS
Laminated glass uses a durable interlayer to resist forced entry, reduce noise, and block up to 99% of UV rays that cause interior fading.

✓

ECO³ TRIPLE-PANE GLASS
Three panes of double-strength glass create two separate air spaces for optimal thermal performance and interior comfort. Select Madeira window styles with Eco3 triple-pane glass are recognized as Most Efficient by ENERGY STAR in 2025.

DECORATIVE GLASS OPTIONS

Decorative glass features unique textures that help maximize privacy while allowing in ample natural light. Tinted glass helps control solar heat gain while reducing glare and visibility into your home.

Select Your Design Options

Bring your vision to life with a variety of colors and hardware options designed to match colors and metal finishes unique to your home.

Select from these options to customize your ideal window.

VINYL INTERIOR & EXTERIOR COLORS

Virtually maintenance-free beauty and durability with the color molded throughout the vinyl profile.

CUSTOM EXTERIOR COLORS

Add curb appeal with a heat-reflective color coating that resists fading and heat build-up. Interior available in white or tan vinyl.

Due to limitations in the printing process, actual colors may vary from printed materials. Please see a sample of the product before making your final color selection.

Choose Your Grille & Frame Options

Simonton grille profiles and patterns enhance curb appeal and elevate the overall design of your windows and patio doors. From traditional to contemporary to Craftsman home styles, we provide architecturally authentic selections to match any aesthetic.

GRILLE PATTERNS*

Simonton grille profiles and patterns boost curb appeal and elevate patio door design. With authentic styles from traditional to contemporary, plus customizable options, there's a perfect match for any home aesthetic.

COLONIAL
Iconic style of Colonial, Cape Cod, Farmhouse or Victorian homes in multiple lite patterns.

PERIMETER & DOUBLE PERIMETER
Border pattern offering an open view for Prairie, Farmhouse and contemporary homes. Available Double Perimeter pattern works best for larger windows.

VICTORIAN
Ideal for Victorian and Queen Anne architecture, also Craftsman and Farmhouse homes.

PRAIRIE & DOUBLE PRAIRIE
Pattern borders each sash in multiple-lite windows for Prairie, Craftsman and modern design. Available Double Prairie pattern works best for larger windows.

CUSTOM*
Custom grille patterns enhance your home's design and add architectural interest.

NO GRILLE PATTERN
Provides an unobstructed view and works well with all home styles.

*Custom patterns need to be confirmed with a Simonton representative.

GRILLE PROFILES

Grilles are available in various profiles and dimensions and are color-matched to the door's interior and exterior colors.** Easy-care grilles are located between the panes of glass and never require dusting or cleaning.

5/8" FLAT

3/4" CONTOURED

1" CONTOURED

FRAME OPTIONS

Select from one our stucco trim frames or ask your installer what custom trim options they offer with our block and nail fin frames.

BULLNOSE FRAME

CRAFTSMAN STUCCO FLANGE

BLOCK FRAME

**Two-tone exterior color grilles are available with 3/4" and 1" Contoured grille profiles.

1" OR 1-3/8" NAIL FIN
1" nail fin available on Casement/Awning styles only. 1-3/8" nail fin and block frame track fill options available for Casement/Awning styles.

SLOPED SILL OPTION
An optional angled sill improves water runoff efficiency.
